(b) **Subscription Revenue** — annual platform subscription fees collected from Subscribers:

PART 5 — PROFIT WATERFALL & DISTRIBUTION

5.1 Monthly Profit Calculation

The Net Distributable Profit for each calendar month shall be calculated as follows:

```
 Gross Revenue (all Revenue Streams)
  Less:  Consultant Fees          (30% of Gross Revenue)
  Less:  Referral Fees            (15% of Subscription Revenue where
referral applies)
  Less:  IT Monthly Retainer      (RM 3,500/month from Month 3; nil for
Months 1–2)
  Less:  Operational Costs        (Adcellent's agreed monthly operating
expenses)
  ─────────────────────────────────────────────────────────
  =      NET DISTRIBUTABLE PROFIT
  ─────────────────────────────────────────────────────────
         SLV Group                30% of Net Distributable Profit
         Adcellent                70% of Net Distributable Profit
```

5.2 Consultant Fees

(a) 30% of Gross Revenue shall be set aside as Consultant Fees in each month;
(b) Adcellent shall distribute these fees to its designated consultants per its

internal remuneration policy;
(c) SLV has no obligation in respect of consultant remuneration.

5.3 IT Monthly Retainer as a Cost Deduction

(a) The IT Monthly Retainer of **RM 3,500 per month** shall be treated as an operating cost and deducted from the monthly revenue pool before profit distribution;
(b) This deduction is in lieu of a separate retainer payment — Adcellent shall not make a separate cash transfer to SLV for the retainer; it is accounted for in the monthly profit statement as a cost to the collaboration;
(c) **Grace Period:** The IT Monthly Retainer is **waived for Months 1 and 2** from the signing date as goodwill for the initiative start. These months are waived in full and not deferred or payable at any later date. The retainer deduction commences from **Month 3**.

5.4 Operational Costs

(a) Adcellent's operating costs directly attributable to this collaboration (including but not limited to associate onboarding costs, marketing spend, events, and referral partner management) are deductible as Operational Costs;
(b) Operational Costs must be supported by invoices or receipts and agreed by both Parties in advance for recurring items;
(c) Any disputed Operational Cost shall be excluded from the deduction until resolved.

5.5 Profit Split

After all Permitted Deductions, the Net Distributable Profit shall be shared:

Party	Share
SLV Group	**30%**
Adcellent	**70%**

5.6 Deficit Month

If in any month the Permitted Deductions exceed Gross Revenue (resulting in a negative Net Distributable Profit), no profit is distributed. The deficit shall not be carried forward or offset against future months unless both Parties agree in writing.

PART 6 — PLATFORM ACCESS & LICENCING

6.1 SLV grants Adcellent and its authorised Associate Partners a **non-exclusive, non-transferable licence** to access and use the Platform solely for delivering ESG Reports and subscription services under this Agreement.

(a) The Referral Fee shall be **15%** of the Subscription Value per qualifying referral (minimum 10%, at Adcellent's discretion);

(b) Referral Fees are **deducted from Gross Revenue** as a Permitted Deduction before the profit split — they are not paid by SLV;

(c) The Referral Fee is triggered upon **successful subscription activation** by the referred Client;

(d) The Referral Fee is **recurring annually** — payable for each renewal year the referred Subscriber remains active;

(e) Referral fees apply to **Subscriptions only** — not ESG Report revenue;

(f) If a referred Subscriber upgrades plans, the Referral Fee for the renewal year is calculated at 15% of the new plan price.
